Some of the concerns are:

Current responder numbers

Getting correct NEMSA budget numbers

What happens if we decide in 3yrs we want out? 5yrs?

Housing for EMT and Paramedics if deal is signed

Budget increase if 1 ambulance retained

Some of the pros are:

1 full ambulance crew 24hrs on Drummond

Current EMS can join association

Possibly retain one ambulance and handover to fire department

2 seats/1 vote on association board

Other associations have been successful

Quick response time

Savings on labor

Moved by Trustee Kruzel, supported by Clerk Fairchild that the meeting be adjourned at 7:45 p.m.

Motion carried 4-0
